Really quick on this – I'm getting questions on why we decided to do a press release vs just posting this on the website?

Subject: Homeless Count '19 and '20 - City- and Sup. District-level Data

Good afternoon Chiefs, City, and County Homelessness Deputies –

Hope you're staying safe and remaining healthy. As was discussed a few weeks ago, we wanted to make sure you were made aware of the Homeless Count 2020 City- and Supervisorial District-level data. If you recall, corrections to the '19 City and SD-level numbers had an impact to the '19-'20 year-to-year comparisons. The following are a few things you will be interested in checking out:

- Attached you will find the press release that will go out regarding the revision to the 2019 numbers and an explanation of the change via an FAQ section.
- The link [here](#) leads you to the explainer news page with just the **updated 2019 City and Supervisorial District data summaries** and a link to a page with the original data summaries.
- Follow the link [here](#) and it will direct you to the complete and **updated 2019 Homeless Count** results.
- Finally, this link [here](#) takes you to the **2020 City, Supervisorial District, Service Planning Areas and other data summaries**.

I hope the data is useful and informative. If you have any questions, please don't hesitate to reach out.

Have a good afternoon.

josé
